Water Aerobics

One of the best workouts is done in the water. It works out the entire body and every muscle in the body is used. It is a great way to have fun and get a work out at the same time.

Classes begin the same week as swim lessons. The classes are Tuesday through Friday. The workout starts at 6:15 p.m. and ends at 7:00 p.m. We are also adding a class this year starting at noon and ending at 12:50 p.m. There are no reservations needed for the class. The cost is \$2.00 each workout attended.

Come join the workout four days a week or as your schedule permits. Music, instruction and any equipment are provided. Bring your swimsuit, a towel and join in the fun!
